

SU DEPARTMENT OF COMPUTER SCIENCE SYLLABUS

Prerequisite

Description:

References:

-

Main Topics:

- *Pointers & Arrays:*
- *Implementing class*
- *Algorithms:*
- *Data structures (introduce asymptotic notation (big - , big) and*

template Library:

recursive approach) through their STLs

Data Structures and Algorithms:

ject:

. Late homework/project will not be accepted.

Grade:

30 % Lab

- A: \leq
- B: \leq
- C: \leq
- D: \leq
- F:

Erst (S) und ta Tc en tkllim (E)
