Join us for recommended readings, training links and insights to help you thrive at work and beyond. Happy Friday!

Mark your calendars for the return of **Professional Development Week** in October! This year's theme is **Empower Your Journey: Unleash Your Potential**, a free virtual conference organized and executed by the University System of Maryland (USM) Learning and Talent Development Committee. The conference features a keynote panel of USM leaders and engaging workshops on productivity, personal mastery, wellness, and diversity, equity and inclusion (DEI). Network with your colleagues from across the system. Watch your email for details and RSVP link coming soon. We look forward to seeing you **October 17-21!**

"So many of us feel overwhelmed. Setting boundaries allows you to work in a more sustainable – and less reactive – way." Read on for the [four boundaries](#) that can help our brains feel less stressed and more focused throughout the day.

In this article from [The Leadership Practices Inventory](#) explore how leaders can [build stronger connections](#) to inspire and motivate their teams. "Employing emotion as part of your toolkit of leadership skills doesn't require a lot of additive time. It does require a commitment to engage differently."
