

Salisbury University
Sustainability Committee Charter

1. Mission: Develop and maintain a sustainability program that promotes the use of environmentally sound development and management practices campus wide and incorporates sustainability in the delivery of instruction. Advise the President and Executive Staff in order to assure that the campus meets the objectives and commitments of the “American College and University Presidents’ Climate Commitment” that was signed by President Janet Dudley-Eshbach and which became effective January 2, 2008.
2. Scope: The scope of this project will include all programs, services, and facilities owned, operated or otherwise under the control of Salisbury University. SU affiliated organizations are also included within the scope of this project.

3. Objectives:

Initiate the development of a comprehensive plan to achieve climate neutrality.

- a. Within two months of signing the Climate Commitment E ns

Initiate two or more of the following tangible actions to reduce greenhouse gases while the more comprehensive plan is being developed. Other similar activities may be considered.

- a. Establish a policy that all new campus construction will be built to at least the U.S. G
